Dear Mr Dumbrell

I refer to the CDTL *Coal Report March 2011* sent to my electorate office by e-mail on 5 April 2011.

Thank you for providing the report, which indicates the strength of the Australian coal industry.

I was particularly interested in the information about Stanmore Coal and its plans to produce seven million tonnes of coal annually by 2015, which underlines the importance of the industry to Queensland's economy.

Yours sincerely
